The BATTLAX HYPERSPORT S23, Bridgestone's new flagship sports tire. Aimed at being the best Hypersport tire in the market, the S23 evolved from the dominant S22 and improved key aspects of the tire. With outstanding handling, wear, and performance, hit the streets with confidence and maximize your riding experience.

- Excellent wet and dry grip at high lean angles due to new shoulder compound.
- Superb handling and dry grip due to new front and rear tread patterns.
- Outstanding stability at high speeds from tuned front and rear MS Belt construction.
- Contact Patch optimized through Ultimat-Eye analysis.
