

SPORTMAX Q5

14504

- The Q5 utilizes the very best technologies Dunlop has to offer for a track tire that is still street legal.
- Developed by the same engineers and manufactured on the same machines as MotoAmerica race slicks.
- Even more user-friendly, as dry and wet grip, tire compliance, and warm-up times have all been improved.
- New race tire derived compounds provide incredible grip.
- Updated profiles increase footprints at more extreme lean angles to give you more tire on the road for more grip.
- Does not require tire warmers for track use.

Size	Position	No ITL
110/70ZR17	Front - BLK	026-2103
120/70ZR17	Front - BLK	026-2105
140/70ZR17	Rear - BLK	026-2106
